YOUR CUSTOM PRINTING & PACKAGING PARTNER FOR SMALL AND MEDIUM BUSINESSES

210D 600D rPET

Product Image

Details

Our tote bags are made from high-quality, durable materials. The main body is constructed from 210D polyester, while the handles are made from 600D polyester. The bags are printed using DTF (Direct to Film) technology, ensuring vibrant colors and long-lasting prints. The GSM (Grams per Square Meter) of the material is 150gsm, providing a sturdy and reliable bag for your needs.

The tote bags are available in various sizes and colors. The standard size is 15 inches by 10 inches, with a 12-inch handle. The bags are also available in larger sizes for bulk orders. The colors are customizable, allowing you to choose the perfect shade for your brand or event.

Our tote bags are perfect for a variety of occasions, from outdoor events to corporate gifts. The bags are lightweight and easy to carry, making them ideal for travel and outdoor activities. The printed design is a great way to promote your business or organization. The MOQ (Minimum Order Quantity) is 100 bags, and the lead time is 10-15 business days.
